

Ultrasonic Plastic Welding Machine 15khz-3200watt (SE- 1532)

We, **SHEETAL ENTERPRISES**, are manufacturer of welded products using Ultrasonic Welding Machine, Cutting Machine, Drilling Machine & Continuous Ultrasonic Welding Machines. Having been associated with our parent company in Germany & Taiwan. we have 30 years of experience in plastic welding technology. We have been developing and manufacturing high-performance ultrasonic welding machines.

In Ultrasonic Welding Technology, we hold the **expertise in industrial and technical plastic components** for Automobile, Medical, Pharmaceuticals, Engineering and other industries. We have developed number of products for various clients. We carry out different jobs that include Supply of Machines, Installation and Commissioning, Design and development of tooling/horns, Training of Operators/manpower, Maintenance of Equipment and trouble shooting (for a minimum period of one year) and any other related technical service if required.

Technical Data

Model	SE-1532
Brand	Sheetal Enterprises
Design Type	Latest
We Deal In	New
Technology	Ultrasonic
Accurancy	Good
Efficiency	Excellence
Voltage	200-240V/50-60Hz
Power	3200Watt
Frequency	15Khz
Dimensions	955L*750W*1980H
Welding time	0.01-9.99S

Functions and Features

- ✓ Japan – NTK vibrators, matching Ace steel, titanium transducer.
- ✓ Japanese NTK series transducer, imported cylinder, strong power, good stability.
- ✓ Anti body back plus coaxial design of direct pressure, pressure equalization is applied to improve the welding precision.
- ✓ 3200W super power output, suitable for large plastic welding, soldering good effect.
- ✓ alloy layer welding mold, easy to wear and durable.
- ✓ Unique horizontal screw design, mold easier to debug.
- ✓ Limit welding systems, welding after the work piece will not spill glue.

Machine Details

Standard series SE traditional frequency tracking system. The ultrasonic frequency 15kHz, output power of 3200W. Desktop machine with oscillation box (optional purchase station work tables). The ultrasonic welding mold design and production according to the work piece. Equipment for the welding of thermoplastic plastic.

Product Sample

Alias of Auto Ultrasonic Laptop Adaptor Welding Machine: Auto Cellphone/Mobile Phone charger welding machine, charger atuo ultrasonic welder, auto charger welder, AC adaptor welding machine, square plastic welding machine, battery charger welding machine, battery welding machine, power supply plastic shell welding machine, auto power source plastic box welding machine
